Janet Ann Stein, age 75, wife for 50 years of the late Capt. George D. She was educated in the public schools of Bertrand, NE, and graduated from the University of Nebraska. At the university, she was a member of the Rho Chapter of the Alpha Xi Delta Sorority. She remained an avid Cornhusker football fan and enjoyed a spirited rivalry with several local friends who were Oklahoma supporters. During her 29 years as a Navy wife, she served on many committees and as a sponsor for several wives groups. Along with other military wives, she was invited to a reception at the White House as a "thank you" for helping address Christmas cards for President and Mrs. Jimmy Carter. Janet moved to Conway in 1980 upon her husband's retirement from active Naval service. She quickly became involved in community activities as a poll worker for city elections, and for many years as an active participant in the Tom Thumb Weddings as a member of the Fine Arts Club. She was also active in the breast cancer support program "Reach to Recovery". Her favorite pre-occupation was playing bridge with several ladies groups in the Conway Community. With her husband Janet joined Trinity United Methodist Church shortly after their arrival in Conway. She was a loyal

member of the church chancel choir for over 22 years, was a member of the Ladies Fellowship Class and for many years played the piano for the Men's Fellowship Class. She was a loving mother of two daughters, Sue Ann Farmer and her husband Dale of Jacksonville, FL and Elizabeth Ann Whitehouse of North Rose, NY; five grandchildren, Brian and Lauren Farmer, Shannon Tommy and Katie Whitehouse; one great-grandchild, Katie Whitehouse. Funeral services will be held 2:00 PM Monday from Trinity United Methodist Church with Rev. Carl Hunsucker officiating. “ Dear Stein family, I first met your parents when they moved to Conway to work with the ROTC program at Conway High School, where I was part of the faculty. I also attended Trinity for awhile before I moved and worked with both of them there. They made friends so quickly and became a part of our high school and church family. I had not seen either of your parents as often in the last decade as I left Conway High. Occasionally, I would run into one of them in town. When I read of your father's death, I sent your mother a card. Now, I will add you to my prayers for your mother's death. Your parents were a wonderful part of my life for many years. I have so many funny memories of your father telling us jokes and sharing his tales with us at school. Janet also visited the school often. I just wanted you to know that I loved your parents, who made a major impact on my life.##imported-begin##Ruthie Warren##imported-end##

“ I didn't see my previous entry so I'm making another entry. I will miss Janet. She was a beautiful lady inside and out. She always had a smile for me. I loved sitting by her in the choir room during rehearsals because she said she loved my voice. When I gave her and George Communion, George said that he was going to tell Carl that he had some pretty big shoes to fill because they loved the prayers I said just for them. I will think of them both every Communion Sunday. She is with her loved one now so I am very happy for her .##imported-begin##Betty##imported-end##
