“ *Growing up we did a lot of road trips between Florida and New York. On one of our visits I remember going out to breakfast with several children and several brave adults!*

Aunt Jan ordered pancakes for Ria. When the plate came there was a dollop of butter on top of the pancakes.

After the waitress left Aunt Jan turned to my mom, (Aunt Sis) and said “why would they put a dollop of ice cream on her pancakes?”

Before realizing it was butter Aunt Jan put the whole dollop in her mouth! The look on her face was priceless when she realized it was butter!!!

As young as I was, it's a memory I'll never forget! I still laugh thinking about the looks on their faces!
