“ Janet and I shared a special bond... she was a sister to me and I loved her dearly. We hit it off the 1st time we met and were friends until the end. We have shared secrets, heartache and Great Times! She would do anything for you and always had a smile! She seldom complained and was the strongest person I have ever known. To say I miss her is an understatement. "I Have Sunshine on A Cloudy Day!" That was our song. We would lay by the pool and it would be so cloudy but she would say "as long as u can see your shadow, there is sun." I still see her popping up from the water with those tight goggles on saying "Life is like a box of chocolates, u never know what u are going to get." You made me laugh, we cried together, we completed each other. I love u forever! Jodi

“ Janet had a special aura that sparkled as bright as any glitter and a soul to match! To know her was to love her... To know her as a close friend was a blessing! Loving her was easy. Missing her will be a constant ache but I am thankful for the 30+ years I had to know this beautiful soul and the memories we made. Rest in Love my sweet friend.
