Family, may your many shared memories bring you comfort during this special time. May your prayers bring you "the peace of God" that goes beyond all human thought to guard your hearts. I am so sorry for the loss of my sister Janice as we have shared so many ordinary and special events throughout our lives. We have laughed and cried while sharing these life experiences and I know we would not change a thing. I know it will be hard on Roy and the girls but I pray for their healing as they will come to realize she is in Heaven and no longer suffering. Our deceased brother Bobby Bell used to call her "honey bell" as she was so sweet and kind to people and did whatever it took to make people feel good. She used to bake cakes, cookies and especially those yummy apple pies as she knew we all loved eating them. I will miss her dearly and my life will never be the same as I have a hole in my soul as big as the grand canyon that will never heal on this earth. Rest in peace dear sister and as we said many times to each other "I Love You So Very Much".
