“ *I am so sorry to hear of the passing of Mrs. Janie. I have always loved this family. You have been wonderful Christian friends for a very long time. I have no doubt she is dancing around the throne with her precious Lord. My prayers are with all of you. I know you will have an empty spot in your heart and your home until you all are reunited. But we have the hope and assurance that we will all be reunited with her someday. Love all of you!*

“ *Grandma was an amazing woman that dealt with a lot of pain. Helping her and getting to know her daily for the past 3 years has been an honor and it is definitely going to take some getting used to her being gone. Dance with Bob and Ramona, Mrs. Janie. Im so happy you got your man and daughter in your arms now. No more pain. We will forever celebrate your life and the precious memories we shared. Those memories and time spent is worth more than gold to me. I love you Grandma. You will hold a place in my heart, until we meet again, sweet lady. ♡*

“ *Kay, I am so saddened by this news that I at a loss for words. I've followed your sometimes comical post about your Mom but I also know how difficult things have sometimes been. You have always been there taking such good care of your mom and dad. Please call on me for any thing you need. I am currently surrounded by closed roads so I most likely won't be able to attend her service but will be with you in my heart.*
