“ *I met Janie when she came to work at the old Roberts High School(we road together) and lived in the house that she and Robert owned in Orangeburg for a while. Once I moved to Georgetown, our husbands were at Beck Middle School for a time and she and I talked by phone sometime.*

I remember her as the kindhearted person who always had a smile. Please know that I was sad to hear of her passing and pray that because your faith in God is strong, you will continue to lean on Him.

Rest In Peace Janie.

“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. I know that my life was enriched by the Zellers family during their time in Pendleton SC. Janie will always be a Bulldog! My prayers are with you!
