“ Jared was always a polite and respectful student. He had a bright smile and laugh that brightened up the room. After he graduated, I periodically saw him and he always made sure to speak to me. My heart shatters for his family and friends. May God surround them all with love and comfort during the days ahead. Jared will be greatly missed.

“ Haven't seen you in a while, we always planned to hangout again but life got in the way. Sucks that this is how we meet again but we always have the next life, till then I'll have the memories of all of us as kids playing at that house. Love you Brody ❤️👍
