“ While Jason was a manager at Tomlinsons we saw him on a daily basis. He was always in a good mood and in high spirits. We always enjoyed his keen sense of humor and wonderful smiling face. He spoke of his wife and kids often and we could tell he was happy being a husband and father. We will miss him dearly because he always seemed like part of the Surfside family at Bank of America. We send our many thoughts and prayers to the family. His beautiful spirit will always be with us.##imported-begin##Surfside Bank of America##imported-end##

“ Dear Jodi, Mia, Andrew, Sophia and all of the family devastated by the loss of Jason. Mike and I were saddened beyond belief when your mother told me the news of your loss. It seems impossible to have happened, and possibly even more impossible to bear this unreasonable burden. Even if it doesn't seem as though the Lord is there, He is your comfortor and strengthener and He will bring you through this. I am so sorry you have to walk this road~please know that others are there along the way to be some strength, help, support, encouragement~and prayers are being said day and night for all of you. May the comfort of the Holy Spirit bring you relief and rest. Know that you are blessed with family nearby and beautiful children that you and Jason loved and enjoyed together. May wonderful memories bring glimmer of happiness. With heartfelt love as I share your grief. Marianne and Mike Kedo##imported-begin##Marianne and Mike Kedo##imported-end##
