“ *What can we say??!! We've known Jason for many years. Proud to say that we are friends is an understatement. There are not too many people that you can call "a true friend," that is what Troll has been to us. Troll is a friend that you could always count on.. Through the good, bad and the ugly. He impacted not only my life, but our lives. Troll was "one of a kind." The type of person anyone would be grateful for. So sad to say goodbye.. But grateful to say, you are our friend. Forever in our hearts, love Chuck Rand and Stacey LeBel.*

“ HE'S BEEN THERE:

When I cry. When I get heartbroken. When I laugh. When there have been rough times. When I'm mad. When I'm happy. When I'm jealous, When I'm CRAZY. When I'm down. When I'm sad. When I'm pretty. When I'm ugly. Basically, he's been through everything with me, and that is why I call him MY BEST FRIEND.

I love you Troll.

“ *I've known Jason for about 27 years or so. I gave him his first few tattoos. Sorry trolls mom. Lol. I just wanted to say that "troll" was a very kind person always wanting to help people. In particular he helped my daughter nadia with her cover letter and resume. Because of his guidance my daughter landed a great job at a plastic surgery office. I'll forever be grateful to him and the kindness he showed to me and my daughter. My heart is broken to lose such a good friend. May hid family take comfort knowing how great of a an he was and the many people he helped.*
