“ My thoughts and prayers are with all the family and friends of SUNSHYNE. From the first day I moved to Myrtle Beach until now, I can't remember a time I didn't see a smile and enjoy the energy of a great entertainer. As I think back about a song I wrote for a gospel group in North Carolina, the first line says it all..."My last goodbye on Earth...will be hello in Heaven"...and Jason, I know you have found your peace. So with a ray of SUNSHYNE..and alot of PRIDE...I want you to sing and dance for all eternity my friend...and "I'll see ya later!"###imported-begin###Tommy Small###imported-end##

“ Wow. This came as a big shock to me. I found out last night in church at our Wednesday night prayer meeting. I hadn't seen Jason in quite awhile but we used to sit across from each other at his parents rest. every morning that I stayed with my dad and had breakfast. There were many mornings that we shared laughs as we threw grits and other foods at each other and made fun of our parents. He was a great person and his family was as well. He will be greatly missed and my sympathies to Wayne, Linda, and Jamey! God bless you all! Love you much!!!##imported-begin##Melanie Jacobs##imported-end##

“ Wayne and Linda Jo.... I cannot say anything except you both are in our prayers. You can only know that God will give you the strength to get through it, one minute at a time. Ray and I ache for you in your loss. I only met Jason once, when he "breezed" into Fingertips to bring something to Debbie, but he certainly lit up the place in those few minutes. God must have needed someone to make Him laugh, so he took Jason home. We are praying for you.##imported-begin##Billie Ann Booth##imported-end##
