“ *A beautiful memory of a beautiful soul. Jayne and I were lifelong friends and school mates. We lived a block from each other so it was easy to visit. We climbed mimosa trees in my yard and “cut the block “ often times when we’re teenagers. Always had to head to Cooper Street where so many friends lived. We girls share day many fun times at FreMaNap on Pawleys. She is united with her dear love, Sammy, and that makes me happy.*

Much love to her family.

“ I'm so sorry to hear of Jaynes passing. I though she was the sweetest lady and I always felt so welcomed when I went to her house with Margie. I remember the notes she would send to my mom for different occasions and times of difficulties mom would be having. She had a way of writing and always knew just the right things to say. She was such a sweet soul. Prayers and love to all of her family 🙏❤️
