“ Ms. Loretta and Family, Ms. Mildred called to let us know of Mr. J.B.'s death; however; I didn't get the message until today Thursday. I'm sorry we did not make it to the visitation. If I had listened to the message yesterday we would have been there. I asked about both of you this past Saturday night. We thought alot of Mr. J.B. and enjoyed seeing him at the Bluegrass concerts. We enjoyed being able to have dinner with him, Mr. Marvin and Ms. Mildred when they came to Renofest 2 years ago. I remember how our granddaughter, McKenzie, just took to him and would sit in his lap and show him her book. He was so nice and didn't seem to mind at all. You know they say that children are the best at knowing if a person is good or bad and we know that she was absolutely correct in her judgement of Mr. J.B. He was a great person and we are proud to call him a friend. We will miss him but we know that he is not in pain anymore and he's listening to some heavenly music. We Love You, Larry, Ethel, and McKenzie##imported-begin##Larry and Ethel Johnson##imported-end##
