Tribute Wall

“ I did not know James personally, but I am a co-worker with Linda. I know the quality of this man and that he did many kind and worthy deeds in his life because I know that Linda's praise of him and her love of him were spoken of often. Therefore I am sure that we on earth have lost a special person and heaven has gained one. May God Bless Linda and the family and may He take good care of James until the rest of the family joins him. All of course on God's schedule, not ours.##imported-begin##K.O. Damron##imported-end##

“ Linda, I am so sorry to hear about J.C. I think of so many times J.C. and you helped out Aunt Mabel and how she was so appreciative of you both! She really loved you and J.C. and talked most fondly of his kindness and his willingness always to help out with everything. I feel they are already catching up with the good times up in heaven. Remember I love you and think of you so often. My prayers are with you during this tough time. God Bless##imported-begin##Tessa Edmondson##imported-end##
