

Jean Moraski Cagle

September 23, 1930 - September 14, 2022

Conway...

Jeanne Moraski Cagle passed away peacefully, September 14, 2022, at her home in Conway, South Carolina. She was born in Bloomfield, New Jersey on September 23, 1930, to Jennie Lambo and Joseph Moraski.

Jeanne was predeceased by her sons Gene Robert Cagle, Geoffrey Paul Cagle and her husband Robert Winfield Cagle.

Left to cherish her memory: sisters Elaine (Angelo) D'Onofrio and Karen (John) Kraw; daughter in law Marie Annette Cagle; grandchildren Robert Gilbert Cagle (Lezlie), Jeffrey Bruce Cagle, Lindsay Elizabeth Cagle (Josh), Christopher Bruce Cagle, Sierra Rieann Cagle and Ashley Jeanne Cagle; great grandchildren Everett Weatherford Cagle and Mary Katheryn Skinner; and many special nieces and nephews.

Jeanne is best described by her oldest granddaughter Sierra:

Gran was a lover of life. She found joy everywhere from her family, her animals, her hobbies and even the food she ate. Gran had a saying, "You should always have something living in your home, whether it be a plant or a pet," and she often had both.

Anyone that knew Gran knew that she took pride in her gardening. Her lavish

and extravagant garden had nothing but amazing smells which always brought the birds which she loved to watch from her window or while on her back deck.

Gran also loved to cross-stitch. A lot of us have beautiful pieces that were hand-made by her. In the evenings, you could find her in her favorite chair lovingly working on a craft. Even when her eyes began to fail her, Gran found a way, adding brighter lights and a magnifying tool so she could continue doing what she loved.

Traveling was also high on her enjoyment list, and she did it until she no longer could. While she was able to travel the world, she loved traveling around the United States most and she always encouraged us to travel the country because there is nothing more magical than seeing the true waves of grain and purple mountains majesty of our country. When we did travel, Gran couldn't wait to hear our stories of where we went and what we experienced. Gran loved her family, and of course Granddaddy; but she also loved her beautiful Britney Spaniels. She and Granddaddy had them for most of their marriage. While they were his hunting partners, to her, they were like another child. She always had special spots around the house for them and there was always a plate of scrambled eggs and grits every Sunday morning for them.

Speaking of food, Gran loved her food and did not believe in wasting time or money on bad food. A seafood restaurant was judged on if they had oysters on the half shell and if it did, it was a must-order. Like any southerner, Gran also loved her fried chicken. A perfect fried chicken was just as good as any catch from the sea. Before dinner, a gin martini was a perfect way to wind down the day. Just one while watching the evening news or visiting with company.

Most of all, Gran's love for family was in everything that she did. From making gifts to spending all day in the kitchen sharing her favorite foods from the south. She was always excited to hear from us. She shared our joys but she

was also there for the hard times giving comfort or advise when we needed it. Gran we love you and we will miss you. I hope, wherever you are, whether it is a plant or a pet, there is something at your home.

A service will be held at a later date in Sandy Springs, Georgia at Arlington Memorial Park.
