“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ *Fedeles friends,*

Words can not express the emotions I'm feeling to hear about your mother. Although we have been separated by miles, they can not erase the fond memories I have of her. We were tough on all of our parents, but I remember your mom always being the calm one. Please know that I will keep your mom and all of you in my prayers. I wish I could be there to do this in person, but these words are heartfelt and delivered with love.

My condolences

“ Dear Fedeles Family:

Truly sorry to hear about your Mom, she was a great lady. One of the expressions I remember her saying, frequently, when we were kids growing up was; "stupid ass"! To the point that the Myna Bird you had learned to say it too.

Always kind, and always pointing us to do the right things, I will pray for her and wish her and you all peace.

My deepest sympathy,

Timmy Budacki
