“ Uncle David, Jeff, Tracy, and Families: I want to extend our deepest sympathy to you all during this time of sorrow. I was quite excited a few years ago when you made the trip to Iowa, and seeing Jean doing so well, regardless of her health issues. Although you were in South Carolina the majority of my life, Grandpa Tom and Grandma Mary always kept us informed on the latest news. They also would talk about all the great memories you all shared throughout the years. I know they both cherished the time they were able to enjoy with you and Jean. May your memories and love of Jean always stay close, and remind you how blessed we were to have her.##imported-begin##Brad D. Kurtz##imported-end##
