“ *Sheryl, Debbie, and family...Charlie and I were so saddened to hear of Jean's passing. We hope it was an easy crossover for her. She will always be one who had a huge influence on me as a young adult. I was young and flying by the seat of my pants. She was always so kind and supportive. She, Gloria and Jewel taught me how to find shark's teeth. We all loved days on the beach and at State Park. I still dream about her all the time in my frequent "restaurant" dreams. I have had the flu and won't be able to attend the service today, but please know I will be there in thought and spirit. Love to all. Julie and Charlie Newell*
