“ Jeanette was just a good friend of mine while we both worked at the University. After she moved to Myrtle Beach, we were not in contact often but I thought of her frequently. She loved you daughters very much and was so proud of you. I lost track of you but knew Lisa was in New York and of course, Jena, in Myrtle Beach. Please know that I am truly sorry for your loss and know that you will miss her. Judy, I tried to look you up but could not find a phone number.. I know you two were close. I lost my sister five years ago. Sincerely, Carol Nimmons

“ I got to know Jeannette, when as an IBM rep, I was assigned to support UGA. I have fond memories of spending time with her there talking "shop" and about her family.
