“ It has been a pleasure to have known Jeannie. I will miss her laugh and sparkle. I hope the family will be able to know she left them a lot of herself in their memories of her, and equally know how much she loved them each.

“ I recall all the good times we had at Jeannies home with Dorian, Ricky, and all the friends she had playing backgammon and just living life and all its joys. Many a good time we all spent together, holding those memories close to my heart today, and knowing that she is walking with the Angels of heaven on this day. She called me her brother and I called her my sister, thanks for all the love ,, God Bless all who believe in the Lord our Christ... See you their my friend...

“ Jeannie sat behind me in second grade all the teacher ever saw was the back of my head as I was always turned around talking to Jeannie. My family moved to Myrtle beach the following year, so I only saw her a few times through the years but I have never forgotten her beautiful smile, laughter and kindness.
