“ *Dear Brad, Cindy and familys,*

*Jeannine was a good nieghbor for 20 years. we were so fond of both Tim and Jennine, walking the dogs, discussing the goings on in the neighborhood and such. Of late she was not to talkative, she would call me to drive the car to fill the tank, not much more.*

*But I have very fond memories of our dad and my husband George discussing the state of our country and of the services they both served in. They are surley missed. Missey and our Katie too.*

*I will keep you all in myprayers,*

*Liz Maass.*

“ Dear Brad and family, Dan and I are saddened to hear that Jeannine is no longer just a short walk across the golf course from our house. Our best memories of Tim and Jeannine are the evening dog walks on the gold course. There were lots of dogs, lots of people, and lots of interesting conversation. Recently Jeannine seemed more comfortable keeping to herself, but we tried to keep in touch with her. For years we traded books back and forth and discussed them. When she stopped her avid reading we stopped by or called, but the visits and conversations became shorter and shorter. About 2 weeks ago we saw her at CVS and she looked well and was moving well, but not very talkative. We will miss her, as we still miss Tim and Missy. Our thoughts are with you and the family. Please let us know if there's any way we can be of help. Sorrowfully, Dan and Nancy Seeds.
