“ Hey Phil!

Had I known your mom passed I would have been there. I can picture her now. I always wondered how she handled 3 sons and guess what? I have three sons! There are such fond memories of popping in and seeing your mom. Those memories lasted from Waccamaw Swim Team days to summer before senior year and then I heard no more. I saw Delores today. I thought of you.

Our parents were solid as could be! We had great times. I only hope we are as good as them.

Bless you and your family. I will continue to have fond memories...
