“ As newcomers to South Carolina, Jeff helped us find the perfect condo in Myrtle Greens. We loved meeting his Westin, Coco, who always greeted us in the office. We are saddened to learn of his passing, and offer sympathy to Mona and his children.

“ I am a waitress at a local Waffle House and got to know Mr Jeffrey very well. He always gave me good advice and I talked to him a lot about my husband who has Sickle Cell Anemia. Jeffrey would always tell me when he saw an episode of news that talked about getting closer to a cure. My husband and I also rent some property out and he always gave me good advice on that. He was in that Waffle House everyday like clock work. We all knew what he was eating and had it ready cooking by the time he sat down. To me a order scramble raisin double plate scattered well will always be the Jeffrey special. He was a family man who loved his wife his children and his dogs who were so very spoiled with bacon every weekend. I will truly miss Jeffrey and am grateful I got to know him.
