“ Jeff you were a great friend and part time employee. I loved my time at Pawley’s Plantation and working for you and Chrissy. Chrissy it’s a terrible loss and I’m sorry I just found out about it today. I would have been there. Jeff was a great person, friend, boss, coworker, boss and chef. He taught my son Billy so much and Billy is successful today because of him. I love you Jeff and Chrissy and always will.
