

Jennifer L Sugg

January 16, 1973 - July 12, 2025

Jennifer L. Sugg, age of 52 of Myrtle Beach, passed away unexpectedly on Saturday, July 12, 2025 at Grand Strand Regional Medical Center.

Born in Irving, NY, she was a daughter of the late Gene Bukowski and Rita Melodic Bukowski.

She was raised and spent much of her life in the New York area where she thrived with her outgoing personality and excelled in her quest for knowledge as an LPN. She met her husband Duane and together forged a family of 3 boys and a daughter. Due to some medical issues with their daughter Angelina, doctors suggested a warmer climate for her. With her caring personality, it was a “no brainer”, she and Duane moved the family to Myrtle Beach, South Carolina where she devoted her time to helping Angelina succeed. She thrived on her family life and was a great wife, mother and grandmother who loved to capture family moments on camera.

Surviving is her husband of 29 years, Duane; 3 stepsons: David Sugg and his wife Shelby of Myrtle Beach, Cody Sugg of NY, Dakota Sugg also of New York and their daughter, Angelina of the home. 5 grand children: David Sugg Jr, Haley Sugg, Iris Sugg, Jace Sugg and Kaide Sugg also survive as well as 1 sister, Racheal Bukowski.

Services at a later date are not planned at this time.

“ I am so very sorry for your families loss we are praying for all of you. I was so sad to hear of Jenn's sudden passing , she was our best friend's bestie, and was so good to her and the family here in Michigan , although we didn't know each other really well, we knew all about each other through our mutual bestie Jen. We once had a hiccup in our relationship trying to get to know each other, due to someone else in all three of our lives at the time, trying to divide us all, but we worked it out, and I finally got to meet her here in Michigan,her last visit for our niece's (bestie daughter) baby shower and we had good conversations and knew that all that other stuff wasn't our faults. We were scheduled to go there for a visit last year but our circumstances changed so we could not get there , but I am glad her and I got to get to know each other a little bit, but sad that we will not have an opportunity to deepen our friendship further. But what I can tell you about her is,that she is, was a kind , caring , loving , giving person, who also at the same time loved with all she had , and fiercely, protective too. She gave my bestie & family a escape vacation spot to run to for beauty peace and solice , and I will always love that about her, all of that. Her story ended far to soon, and she had to fight for everything in her life it was a struggle sometimes, but she never stopped loving others, and gave love to those she cared about and more, she was a great momma to Angelina. Here in Michigan she will be missed by those lives she touched here. Fly high beautiful lady until we see you again someday 🌹 All Our Love, Tina R & Gerry T
