“ Dear Bryan, Brynne, and Keith, Our family would like you to know how much we enjoyed knowing Jenny, she was a "Crown Jewel"!! Her life was definitely too short but we know from the Bible that God has a plan for all of us. Someone recently said it is not how long a person lives but the legacy they leave behind. One of Jenny's legacy was her loving family that she nurtured and cherished. We are very grateful to have known Jenny. “ It is hard when losing a loved one and espeically at such a young age. DEATH is an enemy of life, because we have a built-in desire to live and enjoy life with our family and friends. When we lose our loved one, for what ever reasons we may believe, it is distressing, because we miss them very much. At these times, we need encouragement and hope so that we can cope with our lost. For that reason, we can be encouraged by reflecting on the promises that God has given us thru his word the Bible, concerning the hope of seeing our love ones again. I hope that you find comfort in reading these scriptures. John 11:11-44, John 5:21, 28, 29 and Revelation 21:4. My prayers are with your family.##imported-begin##Karen Cross##imported-end##
