“ To the Family of Jerry Socha, I am sorry to hear of the passing of Jerry Socha. I worked under him at Whitewater High School. I thought he was fair but friendly, firm but just, and carried a sense of humor in a tough job, qualities essential in an administrator. I hope also that the passage of time eases your sorrow. “ So sorry to hear about your father Steve and Tim. I have great memories of him at Whitewater high school. He was a very nice man, he understood when others couldn't or wouldn't. I will never forget the times I was sent to visit him, instead of quick judgements he would listen, and when all was said and done, he would laugh with me, and say, something like oh janie, leave those teachers be, go on to your next class now. :) I hope you have great memories too. Take care, Jane###imported-begin##Jane Brunckhorst###imported-end##
