“ Dear Christine and family, We are sadden because of what seems an untimely death for your mother. Yet, I suppose there is never a timely death for the people left on earth but God knows the correct time and has a plan for us. We don't have to know the plan, we just have to follow and trust in him. It seems so wonderful to me that your precious daughter has the middle name of Perry and you have two delightful children to tell and share special stories and memories about your mom. We love you,thank you for sharing Logan with us this summer. Lovingly, Shirley and Jim Jones##imported-begin##Shirley and Jim Jones##imported-end##
