“ Jay is such a huge part of my memories growing up. He is also one of the few people I managed to keep in touch with, as we grew older and had children of our own. He was a great friend, and a wonderful father. I will miss him so very much.

I am so saddened to learn of Jerry's death. I worked with Jerry for the past several months and always found him to be kind and soft-spoken. He would speak of Zoey often and it was apparent that he loved her so much and she was the apple of his eye! May God grant peace and comfort to his family in the days ahead.
