“ So long ago but no so far away. After countless hours of talking on the phone we finally got to meet...July 8, 1989. I remember like it was yesterday. I have never been the same since. You made me the person I am today. Thank you for that. Thank you for everything. But mostly thank you for letting me love you. I am going to miss you terribly. There will always be a very special place in my heart just for you. Rest in peace. All my love, Cheryl##imported-begin##Cheryl##imported-end##

“ Jerry was much more than a brother to me. He was a father figure, a best friend and a sibling in Christ. We shared many of the same dreams, pain and hurts of life, and many fond memories. We laughed together, cried together and fought.... he always let his baby sister win. I watched his last days and knew that he was ready to go Home. He saw the angels standing at the door of his hospital room. That was amazing. I am glad that he made it home with David, Jane, Jimmie, June, Joy, Pat, Bruce, Brandon, Lauren and myself there to hand him off to the angels who carried his soul away. This big gentle man who walked softly but carried a big stick made a huge difference in many lives....especially mine and I will be forever grateful. A piece of my heart is gone but I cannot wait until I go home too. Save me a place at the table big brother and order me a plate of spaghetti.##imported-begin##Janet Seagle Joines##imported-end##

My Dad's passing may have left a void in your hearts, but please rest easy knowing that he was a devoted Christian, his passing was peaceful and he no longer suffers. He is with the Lord in a much better place that he was eager to go. Rest in peace Dad...we miss you dearly. Love,

“ I am a waitress at Cracker Barrel and Jerry came in quite often to eat. He would ask to sit in my section, I always enjoyed waiting on him and talking to him. He was a very nice person with a big heart. He was always telling me to finish my college career and do the best I can in life. We will miss seeing him greatly at Cracker Barrel. I send my condolences to the family.##imported-begin##christina taylor##imported-end##

“ I came to know Jerry in 1991 when he hired me to be his secretary. In the 12 years I worked for him we became good friends. “ My prayers go out to Jerry's family. Our seeing each other was not very often, but when we did it was an exciting time catching up on Jimmy and all the girls and reminiscing about old times, when we were kids. I know he will meet my brother, Larry, and they will have a great reunion. Our thoughts are with you. Donald Killian & family##imported-begin##Donald Killian##imported-end##
