“ I love you Dad...  
I can remember you always smelling like a machine shop and how  
hard you worked.  
You coaching our football team as kids, driving some VW bug with  
different color fenders on it. Lol. Company parties for Conbraco at  
Carowinds. So many good times growing up,  
Like BJ said your same old jokes you told all the time. Well I catch  
myself telling them same old jokes still to this day. Until we meet  
again I love you Dad, and you will be missed.

“ I'm going to miss you Dad. I'm going to miss those same old jokes you told time and time again. I'm going to miss stopping by to sit and talk with you. Those talks helped me just as much as they did you. You had a heart of gold and I'm going to miss you until we meet again. Rest in peace old man,  
Love your son
