“ We first met Jerry and Jim when we moved to Pawleys Plantation in 1998. They lived across the street; Pat and Jerry, Jim and Bill, soon became fast friends and often played golf together. Pat's friendship with Jerry continued after Jim's passing. The best word to describe Jerry is "elegant". She was a very special lady who lived a full and active life. We will miss her but have happy memories to recall.

My heart goes out to Sandy, Sara and your family. We loved being you motel neighbors at the Admiral. Your family became a big part of my family. I have such love and respect. Your mother was the finest lady with the sweetest smile. She made quite the impact in my life. I know she left a huge void. Sandy never forget the love she always had for you!
