“ Jesse. My heart is breaking. All of my boys, my protwctors, mt dree apirit and wild souls.....seems like heaven just keeps taking in lesghnds! You and wille were my ride or die VIPs for the majority of my younger years. I nevee thought id ever loose Willie as crazy as he was....but then we did and a huge hole got torn right through our little tribe we had. Now...i sit here contemplating why or how, this even happened. Now I'm a lone rider. But y'all got your wings....im jealous. But at the same time I'm comfortable and at ease more than i ever have been. I guess its because now I walk through life knowing I have one heck of a squad watching over me. Even in life you guys would keep me away from whatever danger may have slipped up through out our wild and crazy nights, now in spirit your even stronger. I know you got mt back;) i love you sweet boy! You were a true friend and onw hell of a dude! I'll miss you forever. Rest easy. Keep it real up there with the gang. Tell willie, david, nick, Corey and Jay I said whats up fellas! Xoxox
