“ To all Ricks' family members, prayers for comfort and peace. I hadn't seen him since we were much, much younger, as I moved away from the area in the late 70's. I'm so very sorry for your loss.

“ Sadden by the loss of a great friend. Jesse was always someone to talk with about anything. He was a person with a big heart and personally. He liked to talk about his newest tractor, and the new GMC truck. I always picked at him to drive a Ram truck, but he was a GMC man for sure. We had great discussions about a lot of things, and a lot of laughs about life in general and the things we had been through.

His friends at Salt Water (and he has a lot) will greatly miss him and his friendship. It will take time to get over not seeing our friend Jesse at Salt Water each week. He will always have a place in our hearts and minds, and a seat with his friends at Salt Water.

May you rest in peace brother!!!
