“ I was best friends with Vickie in high school and remember Dr. Tate as a strong, loving father. I had the privilege of going with the family to Fripp Island and enjoyed being a part of the family for the week and many other times. I grieve for Vickie, Jesse and Katherine and will lift them up in my prayers. They will always be blessed that he was their father. Beth Johnston Moore

“ Dr. Tate was my dentist from 1955-1964 until my family moved to Charlotte. I appreciate the care he gave to my teeth. I'm 60 years old and still have most of my teeth. I thank him for that!!
