“ Jessica and I started BCBS together way back in the day as just kids. We were on the same team for a few years and would take our breaks together. I remember her being funny, nice and just a good person to be around. I am so sorry for you loss. My heart goes out to her family.

“ I am so sorry for your loss. I had the opportunity to meet Jessica at Adam and Morgan's wedding and was lucky to get sat at the same table during the reception. Jessica was warm and friendly and I enjoyed our conversation throughout the night. My heart breaks for the family and for Addison. Wishing you strength during this difficult time and the enduring light of Jessica's love in your darkest moments.
