

Jessica Marie Coombs

February 1, 1977 - May 5, 2026

We are deeply saddened to announce that Jessica Coombs, 49, passed away on Tuesday, May 5, 2026. Jessica was born on February 1, 1977, to parents Robert "Bob" Coombs and Donna Coombs.

Jessica will be remembered as a vibrant, generous spirit whose warmth touched everyone she met. A terrific cook and baker, she was especially known among neighbors and friends for her strawberry rhubarb pie, which she lovingly shared with those around her.

Jessica had a love for adventure and the open road, she enjoyed driving for miles on end. Her passion for travel took her to places close and far, including a special chapter in Hawaii, where she spent six months. She also lived in Arizona, where she worked as a dedicated emergency room nurse in Yuma, offering compassion and skill to those in need.

Creative and artistic, Jessica expressed herself in many ways. She loved dance and music, and her appreciation for movement extended to the water. She was a swimmer who participated in a swim team and even performed in swim ballet.

Jessica also found happiness in simple pleasures, like riding her bicycle and connecting with neighbors. She had a gift for bringing people together,

whether through food, conversation, or shared experiences. She loved her friends deeply and was always eager to meet new people, leaving a lasting impression wherever she went. Her kindness, energy, and zest for life will be dearly missed and fondly remembered by all who had the privilege of knowing her.
