Jessie was a wonderful friend. I worked with him for over 20 years at AVX. There was 4 of us that had the same birthday and one of the four would initiate a phone call and we would sing Happy Birthday to each other.

I'll always remember you on January 3. Always a friend and always willing to help anyone he could.

Becky I am so sorry my heart is broken that Jessie is gone so I know it is awful for you and the family. He was a wonderful friend and I loved him for his humor and awesome heart. Jessie was one in a million. I was on my way to see him when I got the call that he had passed. I love you and know how both of you loved each other. God Bless and console you and the girls in the days ahead

Mr Jessie was a fine and hard working man. I knew him through my years of working at Avx and mutual extended family members. He never failed to speak and ask how my family was. He will be missed. Praying for strength for his family in the coming days.

*Harold and I would like to say we're so sorry to hear of Jessie Wayne's death. We will always remember the smile on his face, which brought a smile to ours. He and Harold were the same age and I being three years older remember him as a baby. We grew up with the last name Rogers. We know that he will be missed by so many.
Loving thoughts and prayers to your family,
Helen Rogers Johnson Henson and Harold Rogers and our families*

*Becky, Shannon and Stacie, I extend my heart felt condolences. I enjoyed a wonderful friendship with Jessie over last 30 years. Together, we were an awesome manufacturing team. I am choosing to remember the happy times, the laughter and the fact the he never met a stranger. For the past few years Jessie would stop by my office every two weeks. We would chat and reminisce over years of past. I always looked forward to his visits.
He is forever locked in my memory.
Becky, my prayers are for you and your family members.*
