“ Am so sorry to hear of Mrs. Jessie's passing. She was such a sweet and wonderful lady. I remember her at the hospital and got to know her real well because she did a lot of private duty with patients. I loved her dearly. She will be missed.

So sorry to hear about Jessie's passing. She and I worked together at Florence General on the VIP Floor. We both worked the 3 to 11 shift. She and I would go out to eat when we got off work, to help us unwind, before heading home! Our favorite spot to go was Venus Pancake House. Jessie and I both took care of the owner's father. We worked well together and helped one another. I have thought a lot of Jessie over the years. I'm sorry I didn't get in touch with her over the years! I'm sorry I didn't know about her passing, as I would have come to her funeral. I will never forget Jessie or the good times we had. She was a wonderful, compassionate nurse and person! RIP JESSIE I shall never forget you or times together! 🥺💕

“ *Hearing of Ms Jessie's passing makes me very sad. To know her was to love her. How do I know her? I was honored to have served in Atlanta on a missions trip held during the Olympics years ago now. What a great time we had serving and sharing Christ. And not to mention her family that I adore, my thoughts and prayers are with all of you. Know that while I cant be there in person my heart and prayers are with you all. She was one of a kind, I cherish my time with her and certainly know I'll see her again one day. Love to all.*
