I would take Flora and drop her off along with watermelon, and boiled peanuts and we could eat out some too!! She really enjoyed herself!! We sat and talked for hours!! “ To the family of Jewel Ray Johnson, I send to each of you my sincerest condolences. I read her obituary, and was somewhat surprised that it did not include her previous business ownership, Johnson Cleaning Service. I know first-hand that she ran the business and also worked along side of her employees cleaning on construction job sites. She was a smart business woman and worked very hard to do a good job. May she be resting in peace, knowing that all of her work was recognized and she will be remembered and missed by the people who knew her.
