“ My name is Johnny Jones from England. I want to share my testimony on how I and my wife were able to adopt our lovely kid from Pastor Paul who we met online. I and my wife love kids so much and we have always thought of adopting 1. When I saw various testimony about Pastor Paul how he had given out children for adoption, I thought it was all fake. But something in me kept on pushing and insisted that I reach out to him. I followed my instinct and reached out to him and told him that I am interested in adopting a child. We did all the necessary paperwork and they gave my kid to their reliable agent to bring for me. This is their email address: Christchurchorphanage@gmail.com and their website is: Christchurchorphanage.blogspot.com I and my wife are saying a big thanks to you Pastor Paul. Contact them now and I assure you that all your heart desires shall be granted unto you and you will smile.
