“ Please allow me to extend my deepest sympathy during this difficult time to your family. I know the pain of losing a someone close. The scriptures have really helped me and I wanted to share some with your family. Like, in knowing that Jehovah God loves us, he is near to those that are broken at heart and those that are crushed in spirit he saves - Psalms 34:18; Psalms 83:18. One day soon, "no resident will say: I am sick" - Isaiah 33:24. John 5:28,29 gives hope of a future resurrection and Revelation 21:3,4 speaks of a time when death, mourning, or pain will be no more. Jesus at John 11:11 said to his disciples, "Lazarus our friend has gone to rest, but I am journeying there to awaken him from sleep." We can have faith in these promises. I had also personally wondered why God has temporarily allowed the suffering and death that surrounds us. I found the answers in the bible. It can bring much comfort to know the answers. If you don't have a copy of the bible you can find an online bible and other comforting information at [www.jw.org](http://www.jw.org). Keeping you in my prayers. “ *So honored that I was able to meet her, and I'm soo grateful for her because if it wasn't for her I wouldn't have Chris in my life today. She was one of the sweetest ladies I've ever met, soo easy going. She was also one of the most loving Mother's ever, anyone who knew her would know she loved her son more than life! We will miss you, please watch over Chris and Colton, I'm sure that goes without saying...*

*Best Wishes to the entire McFarland family and friends.*
