“ *Hey daddy! I'm sitting here drinking coffee and reading this and I am still in shock. Yes, I gave Sassy her coffee-LOL! I miss you so much already and the pain I feel in so unbearable at times. Mama is doing okay, but she misses you like crazy. I promise I will take care of her. We love you and you rest and enjoy your new body and the fact that you have no more pain and you don't have to have oxygen to breathe. This is not good bye, this is just a short separation. Wait for me where I told you to until we meet again. Give granddaddy, both my grandmas, Paige and our sweet friend Wendy a hug for me. I love you!*

*Love your baby girl,
Robin*
