“ Jimmy,
My wife Pam and I want to extend our prayers to you and your family for the loss of your dad. There are never any answers to "why now" but God has a plan in place. I know you spoke often of him in our conversations and you as was I fortunate to have him for a great portion of your life. I can tell you from experience the loss never truly disappears but the memories are there and they will help to get you through the days ahead.

If anytime you just need to talk with someone don't hesitate to just pick up the phone and call. I know my dad and I talked alot and when I lost him I lost my best friend too. If there is anything I can assist with let me know. Again we mourn with you and will continue to pray for you and your family.
