“ Jimmy would show up every morning at Vickie's with hash browns or french fries for Farrah. I'm not sure who ate most of them. Then Jimmy would rock Farrah while giving her the bottle. I'm not sure who fell asleep first, Jimmy or Farrah.

“ I am honored to say that I was one of Jimmy's and Sara's Girl Scouts. He always wanted us to shine anytime we were in parades or public events. Making sure that we marched in straight lines and our uniforms were spotless. He also could be funny, trying to scare us on night hikes and playing funny jokes on us. He was the king of dodgeball!
