“ *Skeet;*
I really hate to hear of Jim. He was a favorite of mine. It made me think back when I was in hi school and you lived on Marye St. I really enjoyed going over to your house. I will try to get you phone # and call you. Tell your children how sorry I was to hear of his death. I just can't say enough about how much I liked Jim.

John, I was so happy to hear from you. You and Jim had a special connection. He and I and the kids felt like we belonged to the Testa clan. The kids never wanted to go home. Sorry that so much time has passed since we have seen you but good memories remain . Love Skeet
