“ Jimmy came to Conway Manor shortly after I started working there almost 22 years ago. He has been such a constant smiling friendly face for such a long time, the place will never be the same. It did not take long for other residents and staff to be there before they knew who Jimmy was & how to find him. He did enjoy practical jokes & had a knack for pulling them off with the most innocent look on his face, right up until the last moment until he overflowed with laughter. My thoughts & prayers are with his family during this time. He will be missed by so many!
