“ I was so sorry to hear of Frankie's passing. I got to know Frankie in Maggie Valley at Pioneer Village in 2021. I loved his work ethic, his sense of humor and enjoyed spending time with him. We shared many a meal at Guayabitos during my 4 month stay taking care of the Village. He was a man of his word and came through for our family. I kept in touch with him off and on just checking in to see what venture he was involved in and where his work had taken him. He had big plans for Ghost Town and I hope someone takes up the torch to move forward on those plans. RIP Frankie - You are missed!
