Your mother was such a special lady. She was my teacher in junior high. I knew her growing up in FBC. Then in my adult life, we were in the Ivy Garden Club together. I'm so sorry for your loss. Losing your mother is very difficult. Phil and I will have you and your families in our prayers and thoughts. Rilla

“ Eddie Frank, As you know your Mother was my PE teacher in Jr High....late sixties. Jo always stressed the importance of exercise and she made the class "fun".
Sadly for me, she knew all the excuses for not wanting to dress out! Know that Robert and I are thinking of you and your family at this difficult time.

“ I remember her as my P.E. teacher in the 8th grade at Conway Jr. High School. She was very pretty and kind, and pushed her students to make exercising fun, along with gym sports. I send my condolences to her family. May she Rest In Peace.

“ *“Mama Jo” as a she was affectionately known by me, was a major part of my life. She will always be remembered for her tolerance of many things, but especially, the “girls” shenanigans from time to time. I loved her as my own. Love you Mama Jo. The heavenly choir and your siblings are rejoicing!*

Mrs Salley taught me in Jr, High School. I loved her so much . She taught me P.E. And JV basketball. We had a special group of girls that she picked for a tumbling team which we did after school two times a week. I even went during study hall I loved it so much. We talked a lot and we all loved her. She will be missed dearly. Sorry but every time I saw her I still called her Mrs Salley. Great memories!❤️❤️
