“ *My sympathy to your family. I remember visiting my Dad at Beacon Federal and Joanie always had such a warm welcome and smiling face. After retiring it was always a pleasure to see her and Lenny in the Poconos. John Kelly##imported-begin##john kelly##imported-end##*

“ *I'm so glad I got t spend some time with Joan this past year after Aunt Dot's rather-Irish wake...smile. It's how I will remember her...loving her daughter...celebrating the life of her dear, dear friend...dancing...telling stories about dancing shoes...and being a thoughtful, engaged woman as we talked about life & making sure people know what music you want played when you're put to rest. Blessings to you all. -Donna##imported-begin##Donna Weber##imported-end##*
