“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ Joan was my closest and dearest friend growing up in Britton's Neck. We did everything together.....school, church, sports and social activities.....we shared lots of secrets !. We graduated in 1959 from Britton's Neck High school....went our separate ways but always stayed in touch. Our class of twelve were so close that we tried to get together every year and what fun we had talking and laughing about our high school years together!!!!!! We cancelled this year until Joan was able to walk again. Now we will remember her as a happy, fun and loving friend that was always the life of the party. We hope to join her for those happy times again.....save us a place, Joan, we'll be there !
